Half the fun of doing is doing correctly! Now that you have become the owner of a SINGER Sewing Machine, we are inviting you to learn the *Right* way—the SINGER way—by enrolling for a full course in either Home Dressmaking or Home Decoration *At No Extra Charge.* We have found that the beginner profits immeasurably by quickly learning to get the most out of her machine, while the more experienced receives invaluable tips on improving her technique.

May we urge you to sign for your sewing course as soon as possible. The privilege of receiving this course free is good only for one year.

Learn the way to your SINGER SEWING CENTER as the quickest route to happy sewing. SINGER Sewing Machines and sewing instructions are only part of the many services at your disposal. The famous SINGER* Molded Dress Form; the "do-it-for-you" handling of finish-up jobs such as buttonholing and buttoncovering; dress accessories with a custom-made look—all are available at your SINGER SEWING CENTER to give your sewing a professional touch.

Along with the famous SINGER Sewing Machine, there is a distinctive collection of household appliances. Sold and serviced by your SINGER SEWING CENTER, you will find SINGER Guaranteed floor and hand vacuum cleaners, irons, heaters, fans and a superior line of nationally known clocks, toasters, pressing equipment and home aids.
